

## MODE OF STUDY FAQs

**1. Can I decide on which study mode I want to choose AFTER I have seen the schedule? This would help me to make my decision.**

If the student does not choose their mode of study, the timetable will default to distance learning (100% online). The student would then need to change their mode of study should they wish to opt for blended learning (combining face-to-face lectures with online learning).

**2. I selected the wrong study mode – how can I change this?**

To change your study mode selection, please fill in the form here: [www.mdx.ac.ae/mode-of-study-change-form](http://www.mdx.ac.ae/mode-of-study-change-form)

**3. I'm an international student and would like to know if I can change my mode of study to blended learning once I am able to travel to the UAE?**

Yes, students are able to change their study mode selection after the first term, which allows flexibility for international students and those who do not feel comfortable coming back to campus. Please note that there can be no changes mid-semester.

**4. When will we receive our timetables?**

Once you have selected your mode of study and enrolled online, your timetable will be sent to you.

**5. I am based in Abu Dhabi and commute using the university transport. Due to the current regulations in Abu Dhabi with regards to the COVID-19 test at the border – what are my study options?**

Students who are based in Abu Dhabi can select distance learning (100% online) as their study option and then change to blended learning once the regulations have been relaxed.

**6. If I choose blended or distance learning, will I have the same timetable as those who opt for the same study mode as me?**

This will differ per programme. There will be some sessions that are specific for distance learning only, but others will be live sessions for both modes of study. This will be clarified further once the timetables are released.

**7. I am an existing student currently on financial hold. Can I select my mode of study?**

Yes, you can select your mode of study however you cannot enrol online until any outstanding fees have been cleared.

**8. Will classes be recorded live?**

Classes will not be recorded live and students are not permitted to record their lecturer during class.

**9. Am I able to start with distance learning and change to blended learning in a few weeks?**

Students are not able to switch their mode of study during the semester. Students will be able to change their mode of study for the second semester, should they wish to do so.

**10. Please can you provide further information on the modes of study?**

Should you require further information on the modes of study, please contact the Student Office at: [studentoffice@mdx.ac.ae](mailto:studentoffice@mdx.ac.ae) or call +971 (0)4 367 8100.

**11. When can I enrol?**

Online enrolment is now available and students can expect to receive an email with details of what they need to do to enrol or re-enrol (returning students).

**12. Will I receive the same amount of support if I opt for distance learning as I would if I chose blended?**

Absolutely. Support services will continue their operations virtually and faculty will hold specific virtual sessions where students can join and ask any questions they have about their studies.
