

YOUR SAFETY IS OUR PRIORITY. WE ARE ALL RESPONSIBLE!

Face masks are mandatory and must be worn at all times – MDX Dubai has adopted a NO MASK. NO ENTRY policy.

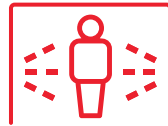

Entry and exit – there are updated routes of entry and exit across all of MDX Dubai campus buildings, these must be used appropriately.

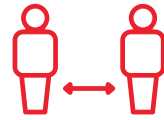

Track and Trace – scanning in and out of each building when on campus is mandatory for all students.

Temperature checks – upon entry to each building your temperature will be checked by a thermal scanning device. Please be patient and allow time for this.

Sanitisation process – upon entry to each building, there will be a sanitisation process that must be carried out for all students.

Social distancing must be adhered to across the campus, both in the classroom and outside of the classroom.

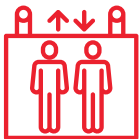

A one-way traffic system across all campus buildings must be adhered to at all times.

Sanitise and wash hands – whilst on campus it is important you regularly wash and sanitise your hands to prevent the risk of spreading COVID-19. There are sanitisation points across the campus.

Bathroom usage – there are limits as to how many people can use the bathroom at one time and these rules must be adhered to.

Lift usage – lifts are limited by the number of students using them at one time, the rules must be respected and stairs can be used as an alternative.

Classroom Sizes – the sizes of classrooms have been limited to 30 students or less. Each student has specific boundaries for the learning space identified and this should be respected.

Keeping Refreshed – drinking water on campus is supplied by MDX Dubai in bottled water, please ensure you dispose of your empty water bottle responsibly.

Duration on Campus – the time spent on campus should be minimised, whilst on campus respect the rules and measures put in place.

I'm Sanitised – across the campus, when a classroom/space/item has been sanitised and ready for you, you will see a marker placed to notify you that the sanitisation process has taken place and is ready for use.

Feeling Unwell – should you or your peers feel unwell or showing notable symptoms, please follow the Identify, Notify, Act, Isolate process displayed across campus.
