### HOW TO READ THE TIMETABLE:

- Find the Module Code to look up the schedule for your classes. After enrolment, you will find the list of your modules on myUniHub.
- Normally, you will attend only ONE session of each lecture/ seminar/ lab/ workshop for each Module.
- If there is more than one lecture/ seminar/ lab/ workshop for a module in the schedule below, you will be assigned to a specific session. This will be based on your 'mode of study' preference (i.e. online or blended) and the social distancing capacities for various facilities. For blended learning sessions on campus, you must **attend only those sessions you are assigned to**. If you will have an option to sign up for lecture/ seminar/ lab/ workshop sessions, you will receive specific information from your lecturers.
- All undergraduate lecture sessions will be online. During Week 1 (starting 27 September 2020) only lectures and workshops are scheduled. Seminars and computer labs sessions will commence from Week 2 (starting 04 October 2020).**
